CMHC Self-Employed

Streamlining the Home Financing Process for Self-Employed Borrowers

CMHC recognizes the unique financing challenges of self-employed Canadians. To help them realize their dreams of homeownership, CMHC offers mortgage loan insurance options for self-employed borrowers with or without traditional third party validation of income.

Features

- Available for purchase and refinance
- Self-employed borrowers with documentation to support their income have access to all existing 1 – 4 unit CMHC Mortgage Loan Insurance products subject to the same product criteria and insurance premiums as salaried borrowers
- Self-employed borrowers (with less than 3 years business operation) without traditional forms of income validation can access CMHC-insured financing for purchase transactions of up to 90% loan-to-value ratio (85% for refinance) for a 1 – 2 unit owner-occupied property
- Flexible financing options - single advance, progress advances and extended amortization periods are available

For purchase transactions the premium payable is the Premium on Total Loan Amount. For refinance, the premium is the lesser of Premium on Increase to Loan Amount or the Premium on Total Loan Amount. Premiums in Ontario and Quebec are subject to provincial sales tax – the sales tax cannot be added to the loan amount.

**** Where there is an increase to the loan amount, the amortization period of the existing CMHC-insured loan and the loan increase may be blended using a weighted average. A 0.50% blended amortization surcharge to the loan increase applies to the Premium on Increase to Loan Amount.
